Boys Run To State

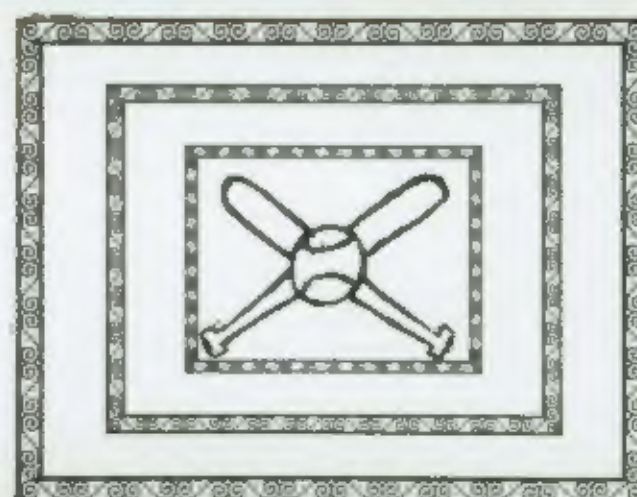

1986 BASEBALL TEAM

Above: The baseball team lines up and waits for the game to get under way. Far right: everyone encourages each other to keep on fighting. Right: Flyball by Cory Hudson.

In the 1986 baseball season, the young Redbirds were predicted for last place in our Bay Conference. True to this prediction, the "Birds" lost the first three games by a combined score of 28-7. Then they adopted their new slogan, "St Mary", and turned their season around. Winning their way through the Redbird Tourney by scores of 7-2 and 15-11, then batting their way into Regionals. In the regionals, they slammed their way into the final Championship game, only to lose to Wisconsin Dells, 4-1. Good Job!!!

Girls Tumble To State

1986 GYMNASTICS TEAM

Left: All the girls show off their well deserved WIAA state gymnastics title.

Below: Each girl displays her own medal for their preformance at state.

The gymnastics team, consisting of Senior, Georgette Poweliet, juniors, Inga Larsen, and Mellisa Dombeck, and Sophomores, Kathy Daanen and Laura Clay, finished out a great year. They won all dual and triangular meets, the Southwest Invitational, the Metro Meet and Sectionals, both held at De Pere.

Winning Sectionals led us to Wisconsin Rapids where the state competition was held. Everyone was extremely nervous because we knew we had a chance to win.

The day of the meet we were up at 5:30, went to eat a light breakfast, and we were in the gym by 7:00 A.M. All day long we watched the competition, and by 4:00 P.M. they had all the team scores up. I kept reading-I couldn't believe my eyes. We had the highest team score! We had won!! After everyone climbed down we went and grabbed a bite to eat. When we came back we were ready for finals. Kathy Daanen took 1st all around, 1st on beam, 5th on the bars, 3rd on floor, and 1st on vault. Georgette Powleit placed 5th on the vault and Laura Clay put in a great performance, also. Grand march was last.

SPRING OF 86"

The 1986 Prom court, which was reigned over by Cory Hudson and Peggy Olson, was a success for the class of '87 and its court which included Becky Orman, Mike Galaty, Amy Heimerel, Gary Hagerstrom, Paula Stibbe, Kelly Neuville, Pam Bilotti, Jeff Fischer, Carrie Dickey, Tim McGuire, Lisa Lasee, and Chris Pratt. It was "A Night To Remember" for all who showed up on this cool yet clear night. The atmosphere was exclusively designed by Kelly Nelson and Mrs. Zeske. Music was provided by Rent-a-Jock.

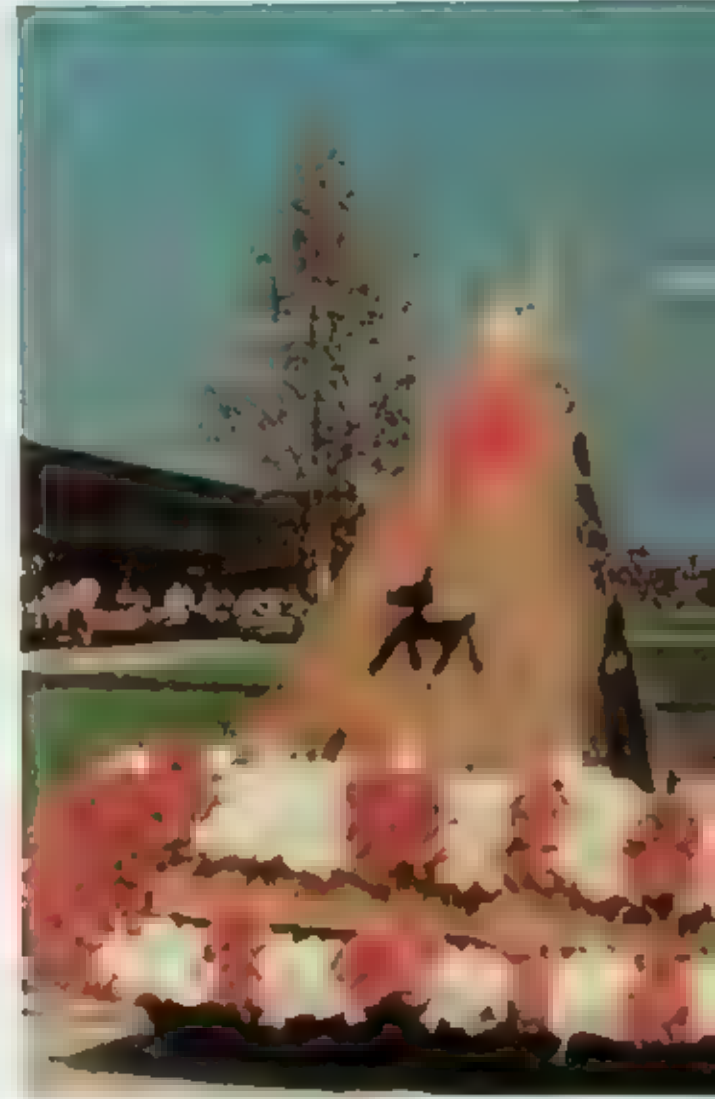

Above: Jeff Fischer and Pam Bilotti.

Left: Tim McGuire and Carrie Dickey.
Middle: Gary Hagerstrom and Amy Heimerel.
Right: Kelly Neuville and Paula Stibbe.

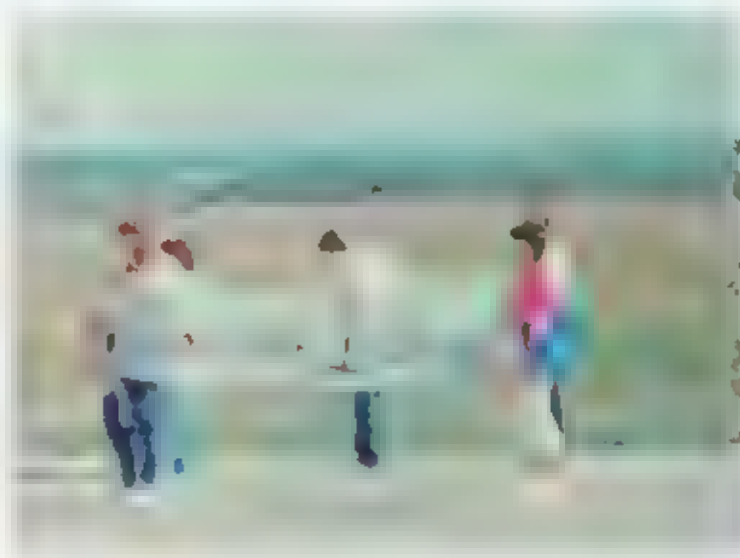

FLOATS MAKE

Homecoming floats placed well this year for East DePere. The "jug winning" Seniors tied with the Juniors for first place in the float competition. The freshmen float drifted away with a second place, followed by the sinkin' Sophomores rowing into the last place position. The FFA show their spirit goes on and on and on.

WAVES

*Seniors-Juniors-1st
Freshman-2nd
Sophomores-3rd*

Even though the Redbird's didn't T P. the Indians teepee, the Senior float (center) still rode strong through the parade. The Freshman float (upper right) showed the spirited colors of East DePere. FFA (bottom) "plows" their way through the parade to show their spirit. The Junior float (far left) "blasted" their way through the parade, while the Sophomores (upper left) show what they would do to the Indians

Above: Pete Allan drives his mini-tractor showing 2 little Indians, while other enthusiastic FFA members follow showing that we're going to kill the Indians. Upper right: Sophomores float, we're going to kick the Indians! Although we lost the game, we won in our own special way.

YOU CAN TELL IT'S

Above: Polly Lasee rides her horse in the Homecoming parade. Gregg Smits' car and Seniors show their spirit in the parade. They do a spectacular job of quoting phrases such as "kick some feathers and De-Pere class of '87", and also display our 3rd Spirit Jug, the only class to win the spirit jug more than once. Right: J. Mangione shows us his techniques of picking up . . . well, whatever he can pick up.

HOMECOMING WHEN

SCHMOO

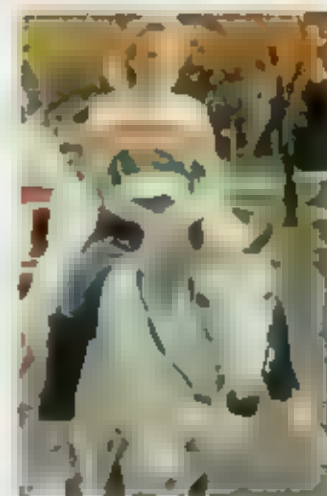

Homecoming was a fun time for everyone, but there was still a little bit of seriousness on the day that Mr. Roeber came and told us about his war experiences. His real message was when things go bad, you can't give up hope, sooner or later things will go your way. Drugs and alcohol are not the answers. Above right: on nice days, you could always expect to see people playing square or hacky sack, favorite lunch-time activities. Right: Freshman show up to work on their float but do they really work?

Above: T. Larsen and J. DeMoulin "bear it all". Top right: Seniors, also "bear it all". Above: L. Patterson, S. McMonagle, and K. Fels gossip about their boyfriends.

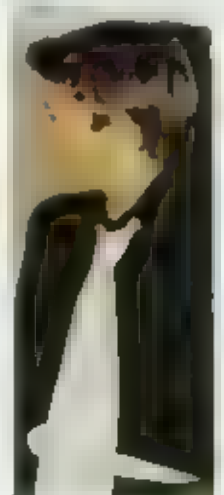

Left: B. Smits, M. Galaty, B. Edinger, J. Lukens, and S. Seiler try to cross the finish line first to win points for the football team during the Homecoming assembly. Above: How many horsepower is it?

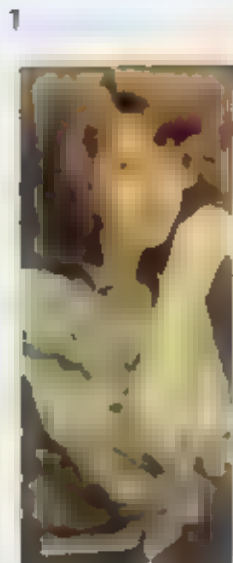

STUDENTS SHOW

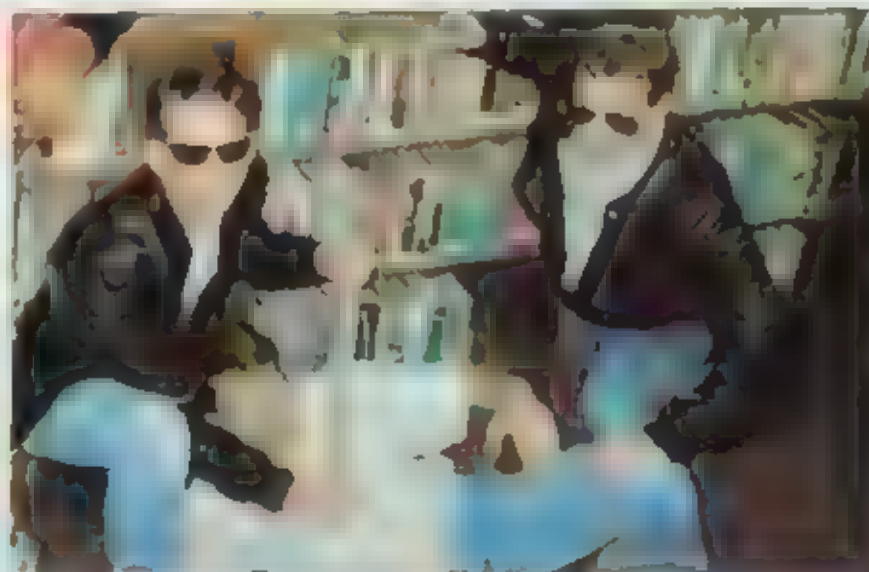

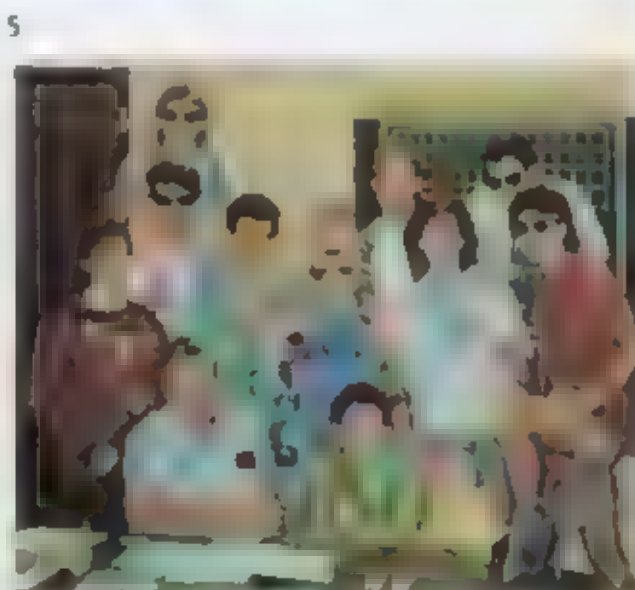

Top left: Freshman show their enthusiasm while working on their float. Top right: K. Janssen does his famous chicken dance. Middle right: S. Beckett and J. Schimdt finally found their dream date. Middle left: E. Vanden Burgt and A. Heimerl are used to driving on three wheels. Left: Seniors stay "HOT" over their well built fire. Right: My-don't we look nice tonight?

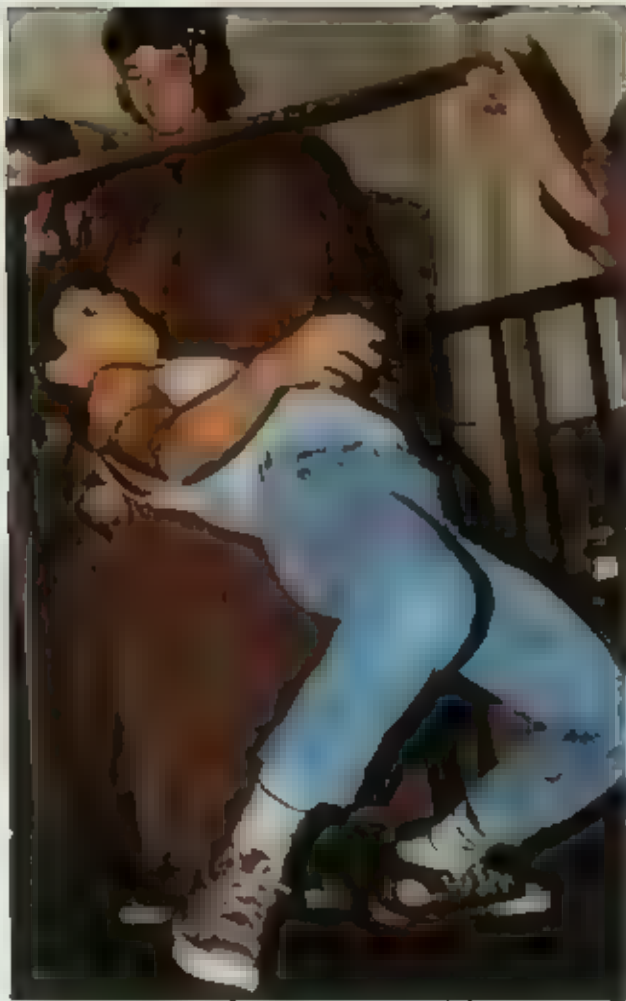

ENTHUSIASM

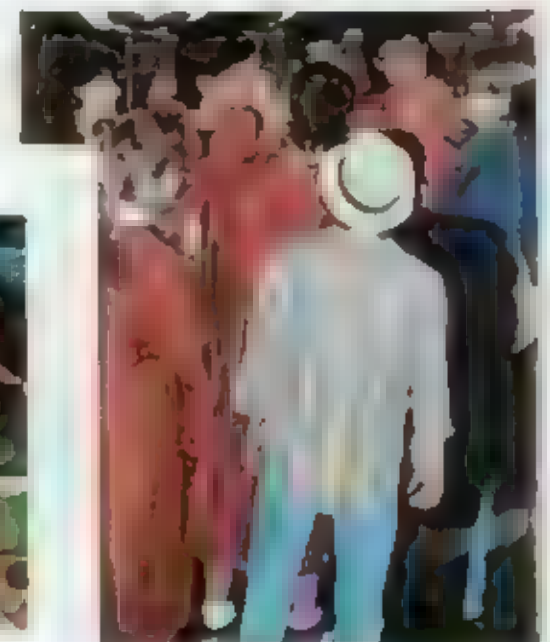

1. Jenny Falck caught at the scene of the crime. 2. Who is Gregg malesting now? 3. Dave and Peggy go cruising during the parade. 4. Nobody messes with the FONZ 5. Mr. Marchant's 5th hour Algebra class is hot. 6. "Hey, don't I know you from somewhere?" 7. When will Joe learn not to flirt with Gregg and Scott's girlfriends? 8. Freshmen learn who the boss is. We hope your homecoming was as good as ours.

FORENSICS

Forensics: The Art of Rhetoric

The 1986-87 DePere High School Forensics squad was small number of the team, seven earned their way to State competition in Madison. Scoring: Forensics has several events in which students may compete. The generally read or speak before a judge only once. Scoring is in five basic areas. A student is rated 1-5 in each with five being the highest. These scores are compiled and a final total is reached. The highest possible score is 25. Events: Events are in two categories. Speaking and Interpretation. Speaking events include Oratory, Demonstration, 4-minute, and Extemporaneous. Interpretive events include Prose, Play Acting, Poetry, Interpreter's Theatre, Solo Acting, and Farrago. Team: Chris Galaty, Vicki Blavat, and Judy Westphal competed at the district level, missing a trip to state by only one point. Their event was Interpreter's Theatre. They did a cutting from J.R.R. Tolkien's *"The Hobbit"* entitled: *"Riddles in the Dark"*. Interpreter's Theatre involved two to five students. The literature used may be prose, poetry or essay, but may not be a play. Students hold a script and may move. This is not considered an acting event. Kelly Hodgson competed in Solo Acting. Kelly acted out all the characters in *"The Chinese Restaurant Syndrome"* and achieved the District level. Solo acting is an 8 minute event in which a student enacts every character in a play cutting. It must be memorized. In Extemporaneous Speaking, Mike Van Gheem reached the district level. The purpose of extemp is to make an organized, eloquent, and interesting speech with only a short preparation period. Students draw a topic and have a half an hour to research and write a speech on current topics. Lynn Van Dreel earned a berth to state in Madison, with a dramatic Farrago. Farrago is a relatively new event in high school competition. It used two or more interpretive works of a different type, worked into a theme. Lynn used cuttings from the play *"The Diary of Anne Frank"*, the novel *"The Rise and Fall of the Third Reich"* and the poem *"The Murder of Lidice"*. Three students, Becky Nusbaum, Laura Rameker, and Tracie Skibo, acted scenes from Beth Henley's Pulitzer Prize-winning play *"Crimes of the Heart"*. The trio went to Madison and won a silver medal with a score of 23. Play acting is the memorized presentation from a play. It uses blocking and tables and chairs, but no props or costumes. Two students competed in Poetry. Poetry readers use a manuscript and may not use gestures. The poetry is interpreted with the voice and facial expression. Tami Garnett earned a score of 22 at the state level, while Stephanie Bartel earned a 24, near perfect. A perfect score at state was earned by John Ambrosious. He entered Prose reading, an event in which the reader holds a manuscript and reads a cutting from short stories, novels or novelty. Coaches of the 1986-87 team were Jan Fogel, Ron Parmentier, and Carrie Gruman.

CROSS COUNTRY

As usual, the Cross Country team didn't have the numbers, but they did have the talent. The boys team, consisting of T. Wagner, C. Wagner, S. DeCleene, S. Sanders, S. Weber, T. Kerkhoff, and J. Brien, made their mark all the way to Sectionals. Craig sprinted to a sixth place medal at the state meet in Madison.

The girls team too small to be considered a team in meets, was gifted with a lot of talent. Members were K. Dietz, A. Boyd, S. Hopkinson, and L. Thomasma.

Our fighting Redbird Soccer team started off the season playing very well and getting a couple of wins. Unfortunately, the team suffered because of injuries to key players. The team was led by outstanding play from captains D. Steiner and B. Schroyer. Senior L. Gross and Sophomore goalkeeper Craig Berken helped the team out considerably. All in all, the team had a lot of fun and had a learning experience both on and off the field.

Our Redbird Football Team was not as successful as we would have like to have been in winning games. Dedication to hardwork and a little fun thrown in made a very enjoyable season for everyone.

The team was led by great senior leadership and fine play underclassmen. The best memory of the season was the come from behind win, over Marinette in the final game of the season. The game was dedicated to Chris Pratt who was injured and was in the hospital for the game.

Award winning performances for the year included "Hit of the Year": Randy Trochill; Top lineman: Joel DeMoulin; Coaches Award: Barry Edinger and Most Improved Players: Phil Van Vonderon and Tom Hendra.

Next year the team captains will be: Jan Harper, Holly Vande Hei, and Janet Whittington. Holly Vande Hei received the Most Improved Player and Julie Anderson and Ann Boyd shared the MVP award.

The 1986-87 Redbird Boys Basketball team did not have a successful regular season. We started out on a positive note by beating Denmark in our first game, but then could only put together a 5 and 13 record in the conference. We regained our "Team Spirit" going into the tournament by beating Mischicot and Denmark. We then defeated Kewanee in the Regional championship at DePere to earn a birth into the Sectionals. We played Clintonville in the first game and lost 57-50. Clintonville finished second in the State tournament. We ended our season with 9 wins and 15 losses. We set a record for the most games played in a season — 24. The Redbirds were led by Thistle VanDeurzen MVP; Jesse Morella/Defensive player, Joel DeMoulin/Offensive player and Tim Toonen/Teamanship.

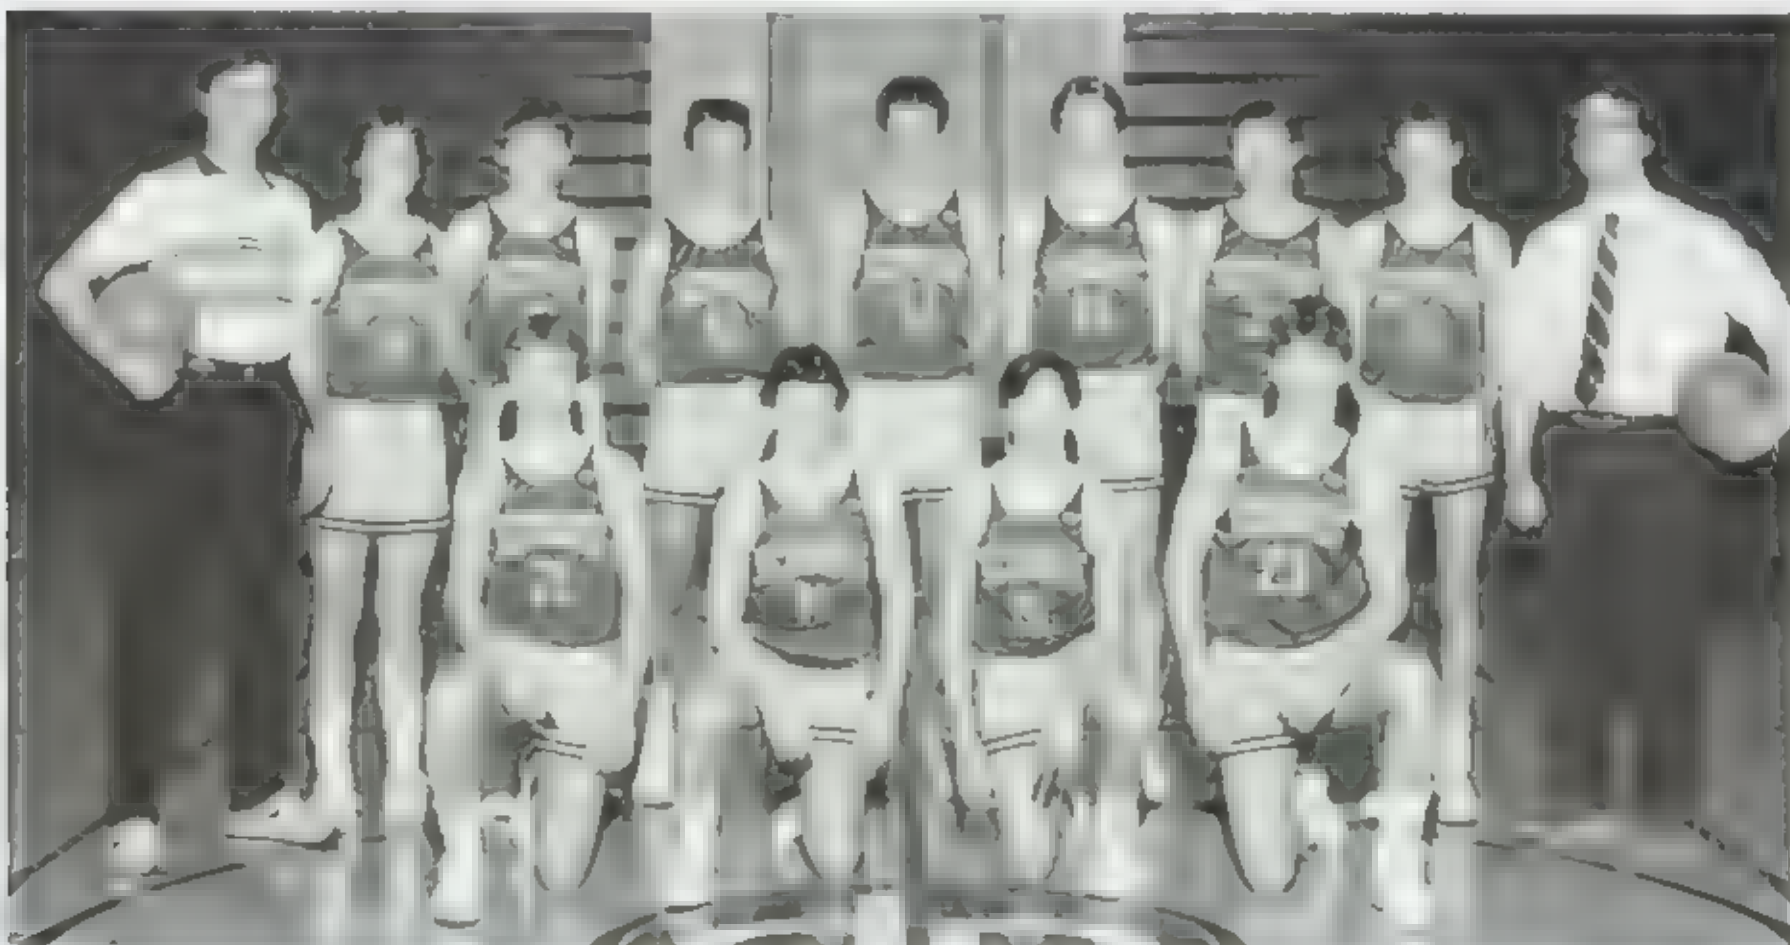

Captians were Joel DeMoulin, Thistle VanDeurzen, and Gary Hagerstrom.

Joe Van Bogart, with his hard work, received the Most Improved Wrestler Award.

Steve Allen received the coveted "Most Pins Award"

Todd Lemke led the team in the "take-down" category and received that award.

The golf team was competitive in all of its matches even though they were young and inexperienced. Rob Marchant was voted most improved, improving his average by five strokes. Gary Garber received most valuable golfer honors. The team shows great promise for the near future, since only two seniors are leaving, and a promising group of underclassmen are returning.

This year the gymnastic team has a lot to live up to. After the surprise state win last year all eyes were on team. The team consisted of seniors, Inga Larsen and Melissa Dombeck, sophomores Laura Clay, and Jessica Lamers and freshman newcomer Nina Nusbaum. They remained undefeated in Class B competition throughout the season. They would like to give special thanks to everyone for helping them keep the gymnastic team going.

Girls Tennis

1986 was definitely a rebounding year for the Redbirds as we lost 4 all-metro performers from the previous year. In spite of that, we played extremely well throughout the season. As a team we finished 3 - 5. We placed 4th in our doubles invitational, 2nd in the bay conference invitational and 2 - 0 in conference play. By only losing two seniors from this years team we should be highly competitive next year.

This years captain was Shannon Gillespie, most valuable player was Holly Vande Hei and Laura Schue was voted most-improved.

The 1987 baseball season started off with high hopes. The team returned all the players from the State-Runner Up 1986 team. Well, the team ended up 4-5 in the Bay Conference, good for a fourth place tie. Some of the highlights for the regular 1987 season were: Ron Reeb ended up second in the Bay Conference in hitting with a .520 average. Cory Hudson was second in the Bay Conference pitching. He ended up with a 1.86 ERA. The Redbirds beat Wrightstown 12-2 in a subregional game and were going for a victory over Valders in a regional game.

The DePere Softball team had the same record as the previous year. They are expected to move up in the conference as the years advance. At the annual softball banquet Mary Martinson took the MVP award home and Amy Rolf took MIP award. Despite questionable pitching the young redbirds finished with a 5-12 record.

Young and experienced were terms used to describe the 1987 Redbird Boys Track and field team. Injuries to several returning letterwinners and with only 5 seniors and 2 juniors, DePere relied heavily on freshmen and sophomores to fill Varsity spots for competition. Led by Craig and Todd Wagner and hurdlers Gary Hagerstrom and Dave Stiener as well as weightman Joel DeMoulin the boys were competitive with most teams and show promise for the future. Highlights: Craig and Todd Wagner- Brown Co.-Bay Conference-WIAA regional champs (Craig also is the Sectional Champion) Gary Hagerstrom- new school record in the 300 intermediate hurdles.

"Outstanding" is the only word that can describe the 1987 Girls Track and Field season. Season Highlights included:

- 6 new school records
- undefeated in dual meets (6-0)
- 3 invitational titles
- 2nd Brown County Invitational
- Bay Conference Champions
- WIAA "B" Regional and Sectional Champions
- 7 State qualifiers

These accomplishments are the result of excellent work and leadership from our returning seniors and letterwinners as well as valuable contributions from new underclassmen. The future also looks good for the Redbirds.

New talent and improvement of veterans led the Redbird Boys Tennis Team to a very successful season. Doubles teams of Captain Mark Urban/David Splitgerber and Chris Vengrowsky/Dean Vande Hei suffered only one loss in conference play, while singles players Kyle Schumerth to duplicate the feat. The Redbirds finished 6-2 in dual matches, captured the Clintonville Invitational, placed 2nd at Regionals, and advanced three players to Sectionals. Many new Freshman will help the future as the team bids farewell to Blaine Schroyer, David Splitgerber, and Captain Mark Urban.

STATE COMPETITORS

CROSS COUNTRY STATE CONTENDER. Craig Wagner finished third in the Metro Meet as a sophomore, and took third in the Bay Conference. He then went on to finish first in both the Regional and Sectional meets. This talented sophomore then went to the state meet where he finished sixth, behind five senior runners.

Craig Wagner

1987 State Qualifiers for the track team are:

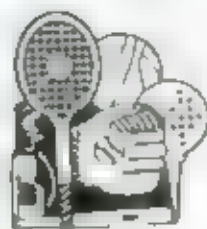

Kim Stine (100 & 200)
Ann Boyd (1600 & 3200)
Inga Larsen (100 HH)
Beth Alcox (LJ)
400 relay team (Leslie Gross, Gina Hendricks, Cheryl Van Straten, Kim Stine)
Todd Wagner (3200)
Craig Wagner (1600)

Kim, Ann, Beth, Leslie and Todd are all making return trips to Madison, after placing in the state meet in their previous attempts.

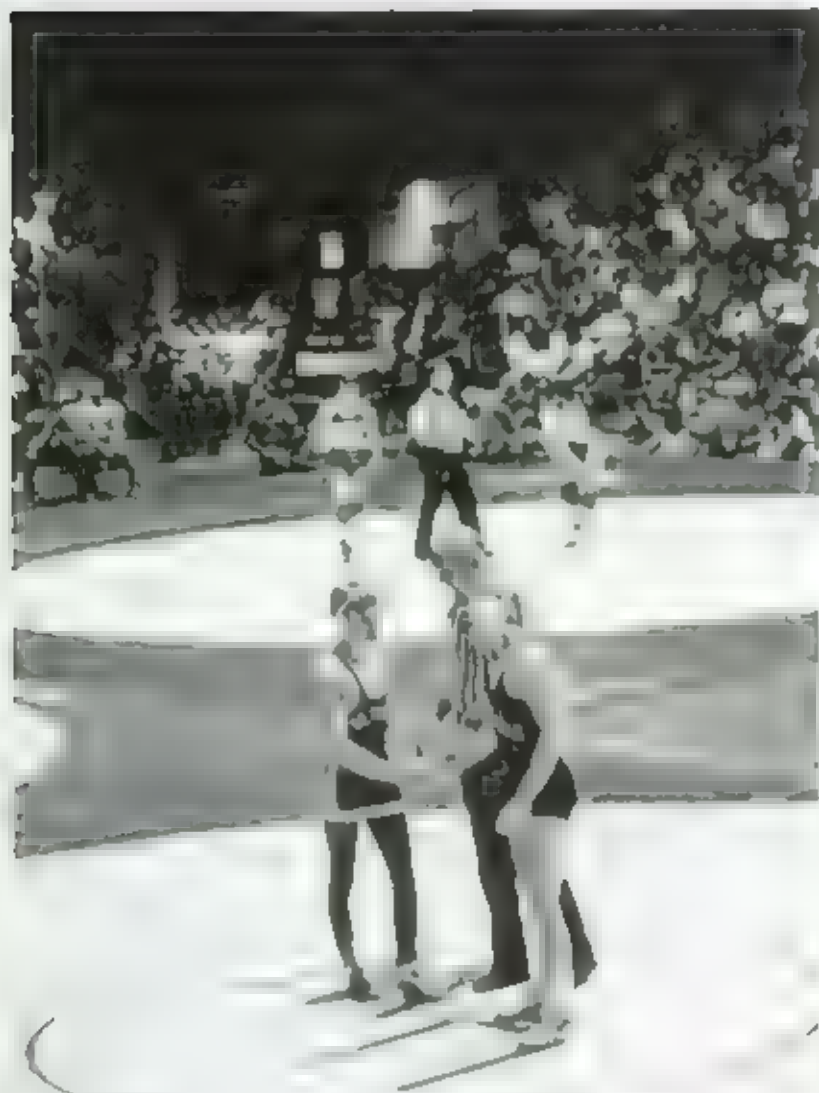

Todd Lemke qualified for sectionals by taking first at Denmark in his weight class (126).

At sectionals he pinned his first opponent in 2 minutes and 35 seconds. In his second match he defeated Joe Grundy from Little Chute with a score of 5 to 3. He then lost to Duane Potrykus (Wittenburg-Birnamwood) 4 to 5.

Then in a wrestleback for the state tournament Todd wrestled Tom Leanord from Waupaca and beat him 15 to 0. With that victory Todd became De Pere's first state qualifier.

STATE CHAMPIONS

There we were again in Wisconsin Rapids, stunned with fear. We tried to appear happy and casual despite all the butterflies. There were a few bad events, but none of us expected to do as well as we did. All our parents added the scores over and over telling us we won but it was the official, final tally we were waiting for. We all held our breath as our team score was posted. Everyone let out a sigh of relief when we saw we won-by one point. The parents took pictures while we all laughed and cried together. We were congratulated by the other teams for winning our second consecutive gymnastics title.

The 1987 baseball season started off with high hopes. The team returned all the players from the State-Runner Up 1986 team. Well, the team ended up 4-5 in the Bay Conference, good for a fourth place tie. Some of the highlights for the regular 1987 season were: Ron Reeb ended up second in the Bay Conference in hitting with a .520 average. Cory Hudson was second in the Bay in pitching. He ended up with a 1.86 ERA. The Redbirds beat Wrightstown 12-2 in sub-regional game and were going for a victory over Valders in a regional game.

'CHRISTMAS FOR KIDS'

Child development class had a 'Christmas for Kids' party for all kids in the DePere area. It was held on December 22, 1986. The class decided to have a party to let the kids come and enjoy themselves. They played games, sang Christmas songs, watched Rudolph the Red-nosed Reindeer, and Santa Claus came to visit us for a while.

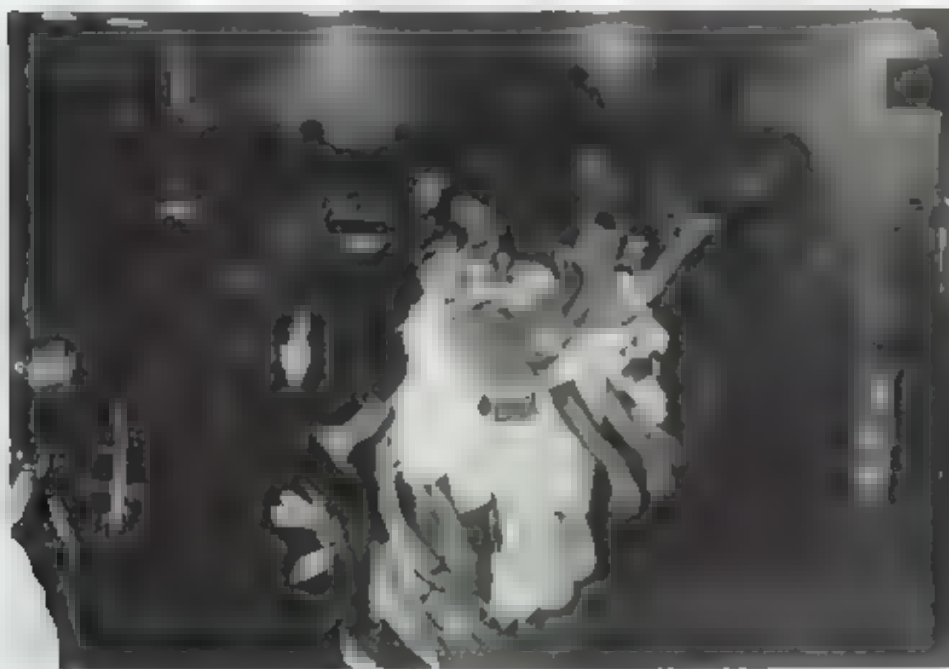

There was no admission fee. Local businesses donated food and drinks.

TURN LEFT ON

This years musical was one of the most profitable in years. Since there was no money in the account to do something composed, we made up the show ourselves. After 2 or 3 minutes of intense conversation, it was decided that it would be called "turn left on Broadway." The show was a revue of 9 different musicals included: Carousel, Camelot, Annie, Oliver, Oklahoma, West Side Story, Sound of Music, Fiddler on the Roof, and A Chorus Line. The show had 3 emcees who attempted to create some unity among the mass hysteria and confusement of 9 musicals. Sue Hopkinson did a fabulous job of memorizing bland, monotone lines which set the stage for each song while Blaine Schroyer and Sarah Harpt told "dumb jokes."

DEDICATED TO MR. JOHN PATTERSON

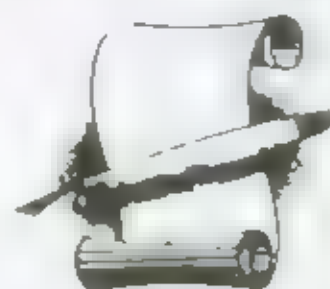

John Patterson's love for life was as tall as he was. In that love for life he had a lot of time to help develop the minds and bodies of many young people through his brilliant classroom work and his involvement in extra-curricular activities. Even at the height of his illness he cared enough to write of encouragement to many students who were having difficult times. Above all, he was a dear wonderful friend who's death has left a definite void in many lives.

This year's talent show was organized by two Fox Staff representatives, Jeff Fischer and Mark Engebos. Special thanks to Tracie Skibo, Lynn Vandree, Brian Benner, and the MCs John Mangione and Dave Steiner for all their help and support. The show was almost cancelled due to lack of support. We decided to go through with the show because we want to bring it back as an annual event. The final turn-out was excellent! It raised nearly \$300 for the year book. The judges picked Tracie Skibo tap dance for first place, followed by Tami Garnett and Jazz Combo. We would like to thank everyone for their help, and we hope for continued success with the show.
